APPEAL

Dear Sir,

We are thrilled to extend an exclusive invitation to you to participate in **Electro 2026**, a prestigious annual exhibition organized by the Solapur Electronics Dealers Association. Since its inception in 1998, Electro has earned the reputation of being one of Maharashtra's most significant events, bringing together innovation, technology, and business under one roof.

Electro 2026 is your gateway to unparalleled exposure in the fields of Electronics, Computers, Telecommunication, Solar Energy, Fitness, and Home Appliances. With footfalls exceeding 1 lakh visitors each year, this exhibition offers manufacturers, stockists, and dealers an exceptional opportunity to connect with a vast and diverse audience eager to explore and invest in the latest technologies and products.

Why Participate in Electro 2026?

- Massive Reach:** Showcase your products to thousands of potential customers, including local and regional visitors, eager to upgrade their homes and offices.
- Prime Location:** This year's event will be hosted at the heart of Solapur city, on a well-laid, centrally located ground designed to maximize visitor engagement.
- Engaging Ambiance:** The venue features greenery, fountains, ample parking, a vibrant food court, and necessary safety measures, ensuring a lively and festive atmosphere.
- Brand Visibility:** Gain maximum branding opportunities through unique stall concepts, strategic layouts, and the exhibition's scale and prestige.

Electro has consistently attracted participation from national and multinational companies, offering them an unmatched platform to build brand awareness and generate leads in a competitive market. The exhibition serves as a one-stop destination for consumers to discover cutting-edge technology at competitive prices.

We strongly believe that your participation will add tremendous value to Electro 2026 and provide your business with an extraordinary opportunity to expand your market reach.

Book your stall now to secure your place at this grand event. For further details, feel free to contact us. We look forward to welcoming you to Electro 2026 and making this event a grand success together!
